

*16th Annual
Kaukauna Dance Classic*

Dear Coaches,

We are proud to announce that the Kaukauna Dance Team will be hosting the 16th Annual Kaukauna Dance Classic. The Kaukauna Dance Classic will be held Saturday, January 12th, 2019 at Kaukauna High School. Though the competition has been taken over by new coordinators, we want to assure you that this event will be run as smooth as ever, and will be a day filled with dance, fun, and memories for all involved. There are a few items we would like to highlight about this competition that will make it an event you do not want to miss.

Classrooms: Each team will have an assigned private classroom to prepare for the competition. The classrooms will provide your team with a place to change, store jackets, bags and other items, warm up, as well as get motivated for their performance(s).

Rules, Regulations, and Judging: WACPC Rules and Judging: WACPC rules and regulations will be followed at this event and supported by WACPC trained judges. Therefore, this competition is the perfect opportunity for your team to prepare for the Regional and State competitions. We will have both technical judges and performance judges. There will be up to five judges assigned to each side of the gym, in addition to our audio judge. The audio judge will be giving only vocal feedback which will be sent to your team via MP3 file. All judges will be using the WACPC score sheet. This will ensure that judges are able to give teams valuable feedback and consistent scoring.

Divisions and Lineup: Divisions will be determined by school enrollment and will be divided based off of WACPC division breakdowns. We offer both Pom and Dance divisions. Dance divisions to include: Jazz, Kick, and Hip Hop. This year we are also opening our competition to Elementary, Middle, JV, and Collegiate level teams! In addition to our team competitions, we will be offering solo, duet, and small group divisions for Elementary, Middle, JV, Varsity and Collegiate levels.

The lineup will be determined by the date your registration form and fees are received. For example, the first team to register will be the last team to perform in their division. Adjustments may have to be made to allow teams enough time to change and prepare if they are competing in more than one category. There is a 54-team cap to our registration, so please make sure you send all of your documents and fees in as soon as you are able to in order to secure your placement. **Please either mail, or scan in and email ALL registration forms and mail fees by December 12th, 2018. A confirmation email will be sent to the email address provided on registration form. Late registrations will be accepted, but are not guaranteed a spot if we have hit our cap. Late registrations will be charged a flat \$50 late fee in addition to the standard registration pricing.** Please contact the coordinators (kaukaunadanceclassic@gmail.com) if you do not receive a confirmation within one week of registering.

Awards: Finally, we have very special awards presentation at the end of the day to acknowledge all of the hard work that goes into an award-winning performance. When winners are announced, a video screen will play clips of the winners' first place performance. First through third place teams will receive ribbons in addition to their team trophy, and first through fifth place trophies will be awarded to the team. An extra bonus at the Kaukauna Dance Classic is the opportunity to win Highest Score of the Day t-shirts and medals. The two teams who score the highest points of the day (one from each judging panel) will win t-shirts along with a trophy. Teams will also have the opportunity to win one of our four Judges Choreography Awards! Our goal is to make the awards presentation not only fun, but a moment to celebrate and remember!
